# SOCIETY NEWS

DUTCH SNAKE DAY 1989.

In October again the Dutch Snake Day will be organized. In order to set up a program it is necessary already to know who is willing to present a lecture.

You can let us know before July 1th.:

- \* what the title of your lecture is
- \* what is to be presented (in short)
- \* what kind of projections you will use (slides, overhead sheets etc.)

In generally the presentation will be no longer than 20 minutes, including discussion.

Many of you have interesting experiences in breeding, travelling etc. Now it is the right opportunity to tell it others.

Please contact the secretary of the Society:

Jaap Kooy,  
Weversland 67,  
2211 TX Noordwijkerhout.  
The Netherlands.
