ANNOUNCEMENT

■ CALL FOR COPY

Although our society has over 250 members outside the Netherlands we receive relatively few articles from our foreign members. However, we know that many interesting snakes are held and bred by them and we would like you to share your experiences with your snakes with all our members. So, please write them down and send them to the editors Marcel van derVoort and René and Cécile van derVlugt. For full addresses see the colophon on the first page of this magazine.
